-  hardnesses range from 10A to 72D durometer
-  colors available from black to neon green
-  custom colors are available

SOLUTIONS

Solutions... ...for urethane rod and tubing

 **Cast Rod** is cast in bored and honed molds to ensure the precise roundness and consistent diameter you need for rollers, bumpers, mounts and other parts. Rod is available in diameters from 1/2" to 6" in 36" lengths and in hardnesses from 40A to 75D. We're happy to provide larger diameters and custom lengths. Just ask.

 **Tubing** available in a variety of i.d./o.d. combinations and lengths and in hardnesses from 40A to 75D.
