

SOLUTIONS

...for "snow hog" urethane snow plow blades

Urethane Snow Plow Blades are tough, durable, and long lasting. "Snow Hog" Blades will adapt to standard hardware. Available in any width, length, and hole pattern with or without slots. Special orders are welcome.

Recommendations For General Use:

-  Should be used with shoes or casters
-  Not more than two inches of overhang
-  Raise casters and back drag the blade approximately fifty yards to reduce start-up chatter if the blade is not beveled
-  Plowing speeds in excess of 30 MPH are not advised

Stock Sizes Available: Square Edges

-  1" x 6" x 10', 11', 12' & 50'
-  1 1/2" x 8" x 10', 11', 12' & 50'
-  1 1/2" x 10" x 10', 11', 12' & 50'

**Beveled Edges Are
Special Order**

Advantages:

-  Reduces damage to runway lights, cobble stones, decorative bricks, concrete and asphalt surfaces
-  Reduces vibration
-  Slotted holes allow the blades to be inverted for twice the life
